

Before & After School Program

What	The before and after school care program assists parents who work and need the extra care for their children before and after school. The program is run by certified teachers on the Word of Life faculty. After school the students get homework help, a snack and drink, and physical activity through playing in the gym and/or the playground.
When	The program is available every school day including early dismissal days (with the exception of the very first and very last day of school).
Hours	Before Care: 7 - 7:45 a.m.
	After Care: 3:15 - 6 p.m.
Who	Pre-K Students at the Timothy Early Childhood Campus
	K-8 Students at Word of Life
	*St. Lucas offers before & after care through their Mom's Day Out program. Contact St. Lucas at (314) 351-2628.
Cost	Before Care: \$5/day
	After Care: \$5/day if picked up by 4 p.m., \$7/day if picked up between 4:01 - 5 p.m., \$10/day if picked up between 5:01 - 6 p.m.
FAQ's	<i>I am interested. What do I do now?</i> Fill out the attached form and turn it in to the school office.
	<i>I may never use the program or I may only need before and after care once in a while. Should I still fill out the form?</i> Yes, so that the before and after care teachers have it on file for the rare occasion your child may attend.
	<i>What if my work schedule changes week to week?</i> That is not a problem! You can use before and after care as needed. In fact, there may even be a random day where something comes up at work last minute. Simply call the school office to let us know.
	<i>How does paying for before and after care work?</i> Simply pay the teacher in before and after care weekly or as it is utilized and they will turn the money in to the school office.
	<i>Where is before and after care?</i> At Timothy, both are held in the classroom between the two Pre-K classrooms. At the K-8 campus, before and after care are held in the classrooms on the Jamieson side of the building. There is a doorbell at the door on the corner of Jamieson and Eichelberger thta is strictly used for before and after care.
