	<p><i>I may never use the program or I may only need before and after care once in a while. Should I still fill out the form?</i> Yes, so that the before and after care teachers have it on file for the rare occasion your child may attend.</p>
	<p><i>What are my payment options for before/aftercare charges?</i> You may elect to pay-as-you-go each week through your Sycamore account. If you choose this option, you initiate payments from your credit/debit card or direct withdrawal from your tuition bank account, and payments are expected weekly as charges are incurred. The other option is to pay for before/aftercare charges monthly by direct withdrawal from your tuition bank account. For either option, any unpaid month-end balances as of the first Tuesday of the following month will be deducted from your bank account; you can always avoid automatic withdrawal from your bank account by paying off your balance every week. When you start using before/aftercare services, you will receive a Google Form survey asking you to select your preferred payment method.</p>
	<p><i>What if my work schedule changes week to week?</i> While we would prefer families indicate what days extended care will be utilized for staffing purposes, we certainly understand that situations occur. Please just notify the school office.</p>
<p><i>Where is before and after care?</i> At the K-8 campus, the location is the 3rd or 8th grade rooms in the morning and the art room in the afternoons.</p>
